

Dear wife I last night heard from you
which I thank the Lord Brother Bove said
I speak for which my heart rejoiced. My
and great is thy reward. Rejoice in the Lord

And the peace of God which passeth all understanding
your heart through Christ Jesus.

Now to let you know of the thousand great things of God that
is passing in this place there has been no week as you have seen
but the work of the Lord is increasing daily there has been from
one to ten Baptized every day this week some of the Elders have
been out for a few days some have Baptized 16 some five & 8
Elders still continue to come in and wash and anoint for the
Solemn assembly which will be held next Sunday for tithing
& sacrifice with fasting & Prayers in the house of the Lord
at 10 o'clock in the morning until 4 in the afternoon
I know how long the meeting will hold probably

we have meetings almost every week and
and hold till 9 many marvelous things
gived even greater than at the day of Pentecost
are increasing in faith and expecting greater
endowment it is expected that there is three hundred of
in Prayer with one accord as at Jerusalem
Many visions are given and also revelations by night & by
day some have already come to pass, and many have not
yet but will soon. I was present when father Smith Blest a
man who lived in Wasatch County who was in a street whether
to go home, on Business or stay at the solemn assembly the old
Patriarch said you want to go home. But the Lord will give
you a sign between this and tomorrow and the man asked the
Lord for a sign about 2 hours after ten as he came out of the
house to go to meeting there appeared a light over the house
of the Lord and extended from west to East But that part
the heavens over his house or home was dark & he said it and
some have seen the heavens open & seen the savior others have
seen angels on the four corners of the house of the Lord with
drawn swords & also stood thick on the ridge Elisha with his
cherist of Fire, Peter John James & the highway east up
the ten tribes returning in chariots as far as the eye could
extend some saw the redemption of Zion and other things to many

not the wine & oil) Deeds to the church
in whether the wicked will be raised

318 page and now my brethren
in probable of old has testified
of God and the people stored them to death
whether the Saints that are raised will remain on earth
during the thousand years for they lived & reigned with
Christ a thousand years Rev. 20th 4th
