Dear Sir,

I am an investigator of the mormon faith. I have come across some questions that I haven't been able to find the answers to. I was told that you might be able to find the time to help me.

Some of the questions I have are as follows:

1. Have the early revelations of the church been revised and have some additional clauses been inserted as some people came?
2. Has Joseph Smith's History been changed from the original History?
3. Is the Adam God Doctrine, as taught in the Journal of Discourses, true?

4. Is the atonement of one's own
blood necessary for salvation
if certain sins are committed?

5. Was Jesus a polygamist?

Thank you very much for your
help in answering my questions.

Yours truly
